

Lightning conductors and grounding system's parts - hot dip galvanized steel - conductors

Name	Marking
Conductor support	PV 1a-15
Conductor support	PV 1a-20
Conductor support	PV 1a-25
Conductor support	PV 1a-30
Conductor support for masonry	PV 1b-15
Conductor support for masonry	PV 1b-20
Conductor support for masonry	PV 1b-25
Conductor support dowel mounted	PV 1h
Conductor support for wall	PV 1s
Conductor support under roofing tile	PV 11
Conductor support under roofing tile	PV 11b
Conductor support under roofing tile	PV 11c
Conductor support under roofing tile	PV 11d
Conductor support under sloped roofing	PV 12
Conductor support under sloped roofing	PV 13
Conductor support under ridge tile	PV 14
Conductor support at the top of ridge tile	PV 15a
Conductor support at the top of ridge tile	PV 15b
Conductor support at the top of ridge tile	PV 15c
Adjustable conductor support at the top of ridge tile	PV 15d
Adjustable conductor support at the top of ridge tile	PV 15e
Adjustable conductor support at the top of ridge tile	PV 15f
Conductor support	PV 17
Conductor support	PV 17p
Conductor support	PV 17pp
Conductor support	PV 17ppp
Conductor support	PV 17pppp
Conductor support to wooden constructions	PV 18
Conductor support under roofing	PV 22a
Conductor support under roofing	PV 22ap
Conductor support under roofing	PV 22b
Conductor support for sheet metal roofs	PV 23
Conductor support for sheet metal roofs	PV 23b
Conductor support for a metal constructions	PV 32
Tape conductor support for masonry	PV 42
Tape conductor support for constructions	PV 44
Tape conductor support	PV 44b
Holder of protective angle steel	DOUa-15
Holder of protective angle steel	DOUa-20
Holder of protective angle steel	DOUa-25
Holder of protective angle steel	DUDa-11
Holder of protective angle steel	DUDa-18
Holder of protective angle steel	DUDa-22
Holder of protective angle steel	DUDa-27
Holder of protective angle steel	DUDa-32
Holder of protective angle steel	DUDa-37
Holder of protective angle steel for the wall	DUS
Holder of protective angle steel	DUDb
Holder of protective angle steel for masonry	DUZ
Holder of receiving rod and protective pipe	DJT
Holder of receiving rod and protective pipe	DJD
Holder of receiving rod and protective pipe	DJDp
Holder of receiving rod and protective pipe	DJDpp
Holder of receiving rod and protective pipe	DJDppp
Holder of receiving rod and protective pipe	DJDpppp

Name	Marking
Holder of receiving rod and protective pipe	DJDh
Holder of receiving rod and protective pipe	DJDb
Holder of receiving rod and protective pipe	DJDbp
Holder of receiving rod and protective pipe	DJDbpp
Holder of receiving rod and protective pipe	DJDbppp
Holder of receiving rod and protective pipe	DJDbpppp
Holder of receiving rod and protective pipe	DJDc
Holder of receiving rod and protective pipe	DJDcp
Holder of receiving rod and protective pipe	DJDcpp
Holder of receiving rod and protective pipe	DJDcppp
Holder of receiving rod and protective pipe	DJDcpppp
Holder of receiving rod and protective pipe	DJZ
Holder of receiving rod and protective pipe	DJSb
Holder of receiving rod	DJSc
